Have you heard about SAIRA and would you like to know more about what it is and how to use it? Follow our hashtags #SAIRASeries and #WhyUseSAIRA on social media and learn more about our matchmaking platform.

Are you interested in learning more about the impact of WAITRO members on the SDGs? Follow our hashtag #SDGSeries on social media and discover the actions of our members and others towards a more sustainable world.
The WAITRO partner Research Fairness Initiative (RFI) has launched their new digital platform to improve international research partnerships. It was designed to promote knowledge on the way governments, enterprises and institutions work to create effective cooperation.

Thanks to the support of the WAITRO member Caribbean Industrial Research Institute (CARIRI), the innovation developed by Ms. Rhonda Eastman Jack could finally be commercialized. CARIRI has secured the intellectual property rights of U-Dazzle, a multipurpose sewing ruler.
EVENTS

Upcoming Events

Roundtable on Managing Diversity in International Research | May
The first event in our series on "Diversity, Accountability and Fairness in International Research" aims to bring different perspectives together on the topic of diversity in international research. Speakers with different expertise will discuss the challenges of diversity and ways to overcome them.

Our dear colleague Anna Woherab left the WAITRO Secretariat earlier this year to pursue a great job opportunity in Spain.

In her four years of work at WAITRO, Anna has significantly shaped the direction of the Global Innovation Family.
We would like to specially thank her for the excellent work and wish Anna great success in her future projects!

This is all for now. Be sure to follow us on social media for more updates on the upcoming events!
