AIMS OF THE SDG2 WORKING GROUP

- To build a pool of experts and potential partners (networking)
- To promote the exchange of information (e.g. open calls)
- To pool the expertise of researchers and kick-start collaborations
- To advocate for R&I (e.g. writing position papers)
- To engage the private sector and the international community

- Kick Off of the SDG2 working group on 14 November 2022 at the WAITRO Summit 2022 in Cape Town moderated by BRIN
- 18 participants + 2 moderators joined the SDG2 kick-off (WAITRO members and non-members)
- Due to the leader of the working group not yet being appointed, at the Board Meeting 91st on March 15-16th 2023 in Trinidad, BRIN is willing to lead the SDG2 working group
- As a follow-up, BRIN hold today's webinar on December 14th, 2023
- BRIN offers programs to support SDG2 implementation of WAITRO member & non-member, through Join Research Collaboration.
- The research activities, focusing on research and experimental development, “technologically new or improved product”, “technological process innovation” are preferred.
- Based on the condition the Call for Short Proposals for SDG2 will be launched.
